### OUR VISION

Humula Public School aims to provide a safe and varied learning environment that creates independent, confident and resilient individuals working towards academic success.

## EXECUTIVE DIRECTOR'S AWARD

At the recent Director's meeting, Humula Public School was awarded the Executive Director's Award for my involvement with the LEAP program, promoting the small school initiative, our 'Read to Three Program' and for our school "Well Being Program'. This is a huge achievement, well done Humula Public School.

## HONEY HARVEST

Last Monday, Little Kinder to Year 2 headed off to Ronald's farm to check out his bees. 'Wow' did we have an experience! Ronald showed us where the bees lived and how he extracts the honey from the honeycomb. I thought the best bit would be tasting the honey. But I think we all agreed that watching the baby bees hatch, from the honeycomb that we were lucky enough to bring back to school, was pretty exciting.

## ARTIST IN THE HOUSE

We were lucky enough to have an artist in residence last week. We made a mess, had fun and made more of a mess creating interesting masterpieces for our loved ones. It's a secret... you will have to wait until Christmas morning to see what we have created!

## ALPSS SYDNEY EXCURSION SO FAR...

So, we all got up super early, some got on the bus at Tumut and others on the bus at Gundagai. We were ready, so many things to explore...

Keep watch on our Facebook page for daily photos.

SunSmart Snippet

## The simplest way

... to be SunSmart this summer.

Consider UV levels when planning your summer activities.

When UV is 3 or above you need to PROTECT your skin in 5 ways:

- Slip on sun-protective clothing
- Slop on SPF 30 sunscreen or higher
- Slap on a broad-brimmed, bucket or legionnaire hat
- Seek shade
- Slide on some wrap-around sunglasses

Download the free SunSmart app to know what the UV levels are in your location to help plan your summer fun.

**SunSmart App is available on the App Store and Google Play**

To help keep your kids safe in the sun, check your schools SunSmart status by heading to [www.sunsmartnsw.com.au](http://www.sunsmartnsw.com.au)

Nutrition Snippet

## The simplest way

... to pack a picnic.

Summer is a great time to enjoy picnics with friends and family. We find it easiest to pack some different kinds of breads and crackers such as baguettes, wholemeal rolls, Lebanese bread, rice cakes and corn thins in the picnic basket and then a range of fillings in an esky for everyone to create their own lunch. Try these delicious fillings:

- [Hummus](#)
- [Kale and basil pesto](#)
- [Guacamole](#)
- Different types of cheese (cheddar, labneh, cream cheese)
- Sliced veg (e.g. tomato, capsicum, beetroot, lettuce)
- BBQ chicken

# Club News

Hello everyone,

People have been enjoying the tap beer and it has mostly been plain sailing with the new system, only a couple of hiccups and teething problems. It has been great that people have been enjoying the club.

The Club had an appreciation dinner for the CWA Ladies last Monday night. We hope the Ladies were surprised and felt appreciated in our community. Sadly, we missed out on having Annette with us for the evening, but we are sure that we will be able to extend our appreciation to her for all that the CWA have done in the community and for the club over the years.

Sunday Sippers was held on Sunday afternoon and all that came had a good session. Thank you to Michele who opened and worked behind the bar as a volunteer on a Sunday.

## Friday Frenzy Dinners 6<sup>th</sup> Dec
