OUR VISION

Humula Public School aims to provide a safe and varied learning environment that creates independent, confident and resilient individuals working towards academic success.

HIGHLANDS ATHLETICS

On a sunny day in Tumut, six HPS children competed with enthusiasm at the recent Highlands athletics carnival. Our relay team, comprising of Blake, Nathan, Jayden and Evan, had a very close finish in the small schools relay event. The boys finished third in this event, just missing out on a spot at the Riverina carnival. When we have final results we will pass them on to students.

RIVERINA TOUR

Humula PS was one of the destinations showcased, when directors and principals paid a visit to see the good things that are happening in some of the Riverina schools. The visitors were most impressed with the welcome that the students provided on their arrival at the school. The children all spoke clearly and with passion about the school that they love. Our visitors were very impressed with the Pony Paddock and environmental area. The principal from Sydney was blown away with the amount of space we have and the opportunities that the students are given.

HIGHLANDS CROSS COUNTRY

Eight students travelled to Tumbarumba to compete in the 2019 Highlands Cross Country. It was a very cold, wet course that the competitors competed on, which meant that they needed to show grit and determination. Evan (8/9 boys), Tori-Lee (8/9 girls) and Blake (10 boys) finished eighth in their respective events.

Jayden (11 boys) finished fourteenth, Nathan (10 boys) finished eighteenth, Makayla (10 girls) finished tenth, Sid (8/9 boys) finished twenty-ninth and Chloe (11 girls) finished seventeenth. Well done to everyone on trying your best and finishing your respective events.

CWA COUNTRY OF STUDY

Last week we attended the Tarcutta CWA Country of Study presentation. Humula PS were very well presented and asked very sensible questions of Sister Bernie. They showed great interest in the Papua New Guinea presentation and have gained valuable knowledge to support their posters that will be completed in class.

NSWPSSA TOUCH FOOTBALL KNOCKOUT

We have a date! Due to a clash in events, our touch football team will be traveling to Ladysmith PS for the first round of touch football on Wednesday 19 June. Ty will continue training with the children when time permits. All children in the Year 3 - 6 class will be playing as part of the school team.

STAFF TRAINING

It has been very hectic over the past few weeks with opportunities for training and development. I have recently been recredited as a CPR and Anaphylaxis trainer. As principal I have attended the Director's meeting and will be attending a Small Schools Network meeting, organised by the Director Educational Leadership. Mrs Soding will also be attending a Small Schools Network meeting for second teachers. These training events help to keep us abreast with the best educational opportunities for the children.

LIVE LIFE WELL

With much excitement, our Live Life Well video is ready. After many months of editing, cropping and perfecting, we are ready for you all to view our short film.

Our video has been published on the LLW@S page in the Student Wellbeing section of the department's website and used on the department's social media platforms. LLW also anticipate sharing the video with NSW Health and publishing them on the Healthy Kids website.

Please go to this link to view our video.

FROM THE SHED

Our trees that we planted a few years ago, behind the shed near the toilets, are in need of a prune and the mulch that the council has left will need to be spread about as well. A few hours here and there will get it all done. Any volunteers can give me a call so day can be arranged. Morning tea provided!

I recently attended an interesting weekend at Barambola Fitness Camp with Bev, Amelia and Alma for a Leadership and Decision Making workshop. I'm sure we all came away with some new ideas.

Stay safe!

POLICY STATEMENT

Humula Public School Newsletter seeks to serve the interests of Humula and the surrounding community by publishing the communities' news and views, while supporting local sporting, educational, recreational and charitable groups through publication of information relevant to their organisation.

Excepting grammar and minor editing adjustments, articles in this newsletter are published as they were submitted. Sometimes articles will be condensed due to space constraints. The views and opinions expressed in this newsletter are not necessarily the views of the Principal or Staff of Humula Public School.

Contributions for the Newsletter are welcome from all community organisations. We endeavour to put out a Newsletter each fortnight so please send or email items to the school by Monday of the Newsletter week and your item will be included. Advertisements for items for sale etc. are welcome for a donation.
