OUR VISION

Humula Public School aims to provide a safe and varied learning environment that creates independent, confident and resilient individuals working towards academic success.

SCHOOL ASSEMBLY

Our end of term school assembly took place on the last day of term and celebrated our terms work. This assembly was capably presented by Jayden, Chloe and Izabell. It also included presentations by the whole student body. It was great to see so many community members join with us and at times to take part in the celebrations.

Some of the items that were displayed were:

- Public speaking presentations by Makayla and Kurtis
- Presentation of learnt information about Papua New Guinea
- Delivery of our reader's theatre - That's Not My Pet - by Isla, Tori-Lee, Maggie and Oliver
- Presentation of rhyming couplets as part of our poetry unit by Nathan and Sid, and Betty-Rose and Annabeth
- Culminating in the student body dancing the heel and toe polka, followed by everyone being invited to join in the dancing of the stockyards.

Award winners for term two were:

- Annabeth Sumpter - Showing more confidence in her learning
- Isla Dent- Diligence in all areas
- Oliver Pendrick- Effort and attitude towards his learning
- Betty-Rose- Improvement in writing
- Sid- Strategic chess skills
- Makayla- Excellent public speaking skills
- Nathan- Commitment to his team in rugby

DR JOE MCGIRR'S VISIT

Dr Joe McGirr visited our school at the end of term and was very impressed with all the wonderful things that we do. We greeted Dr McGirr with an overview of what Humula PS means to the children. Everyone had a part to play in this presentation and Dr McGirr was very impressed with the confidence when the children delivered their thoughts. What was supposed to be a quick look around the school took quite some time with the children keen to show Dr McGirr everything from the chickens to the creek and everything in between. I think we made an impact on our local member and hope that he might find the time to revisit our school once again.

TUMBARUMBA CHESS TOURNAMENT

Sid, Makayla and Chloe represented Humula PS at the local chess tournament at Tumbarumba which for both primary and high school students. All three Humula players performed very well in their games finishing equal first with two other teams, but finishing third on a count back. Over the course of the day, they played seven games each. Thank you to Mrs Soding for organising our team and supporting Sid, Makayla and Chloe on the day.

FIRST SEMESTER REPORTS

Our first semester reports were delivered at interview during the last week of term. If you missed out on your interview, please contact the school to make an appointment.

SNOW SCHOOL

This week sees us in the final preparations for our term three Snow School. A reminder that all notes and payment need to be returned to school this week. We will then be submitting our numbers to Selwyn Snow Resort. Once we have notes in we will be organising snow gear and sending this home with the children. It will be the responsibility of families to have warm undergarments, goggles and gloves for their own children. Please be reminded that this clothing will be on loan. Families will be responsible for items that are lost or damaged and will be required to replace them.

As Snow School is considered a whole school event, it is very important that we know of your intentions. If your child is not attending Snow School, we will need to make provisions for them at school. We will need to know your intentions, in writing, before the end of week one, so that we can make plans for the four Tuesdays when Snow School takes place.

MY COMMUNITY PROJECT GRANT

Congratulations to the P&C on their grant application to update our tennis court making it to the voting section of the process. All we need now are people to vote for our project.

POLICY STATEMENT

Humula Public School Newsletter seeks to serve the interests of Humula and the surrounding community by publishing the communities' news and views, while supporting local sporting, educational, recreational and charitable groups through publication of information relevant to their organisation. Excepting grammar and minor editing adjustments, articles in this newsletter are published as they were submitted. Sometimes articles will be condensed due to space constraints. The views and opinions expressed in this newsletter are not necessarily the views of the Principal or Staff of Humula Public School. Contributions for the Newsletter are welcome from all community organisations. We endeavour to put out a Newsletter each fortnight so please send or email items to the school by Monday of the Newsletter week and your item will be included. Advertisements for items for sale etc. are welcome for a donation.
