OUR VISION

Humula Public School aims to provide a safe and varied learning environment that creates independent, confident and resilient individuals working towards academic success.

WALK SAFELY TO SCHOOL DAY

Once again we participated in National Walk Safely to School Day. It was great to see all our students meeting with all staff at the park for the trek to school. It was also great to see so many school community members joining us for the walk. In total I believe we had 31 people walking to school. We were then treated to a yummy breakfast of egg and bacon rolls and either chocolate or strawberry milk, or orange juice. A big thank you for supporting this event which is held out of hours so that our school day can proceed as normal.

NAPLAN

NAPLAN for 2019 is done and dusted. All papers were sent off to be processed as soon as the final testing day was completed. Our students all did their best and we are very proud of the way they conducted themselves.

MINI ATHLETICS CARNIVAL

Last Wednesday we travelled to Rosewood to participate in a mini athletics carnival. After watching the weather forecast for the next week, I decided that if we didn't take advantage of the sunshine and fine weather then we may not have the opportunity of holding any sort of athletics carnival. The results from last Wednesday's carnival will be used if the ALPSS athletics carnival is washed out again tomorrow. At the time of writing this newsletter the forecast for tomorrow is 7° and raining. We are thinking that the decision last week, even though at short notice, was a good one.

AFRICAN DRUMMING

Last Friday Rosewood PS joined us for a session of African Drumming and Mr Bremner thought it was a fantastic experience for his students. It made me realise how lucky we are to be offered the program from Wagga Wagga City Council, free of charge.

WEEK 4 HIGHLIGHTS

GRIP LEADERSHIP

Yesterday Jayden, Chloe and Izabell travelled to Charles Sturt University to participate in a leadership day. The goal of GRIP Leadership is to provide training to school leaders concentrating specifically on their leadership role. Their goal is that the children will leave the conference with a clear vision, a solid understanding and lots of ideas that they can use in their time as leaders. It is hoped that Jayden will be able to share his leadership qualities with the school as Student Leader in 2019 and that Chloe and Izabell will be able to follow Jayden's lead and carry through the role in 2020. Jayden, Chloe and Izabell reported that they were joined by others from our ALPSS group and they all had a very enjoyable day. A big thank you to Judy Slack-Smith for transporting the children to Wagga so that they could participate in this event.

HIGHLANDS CROSS COUNTRY

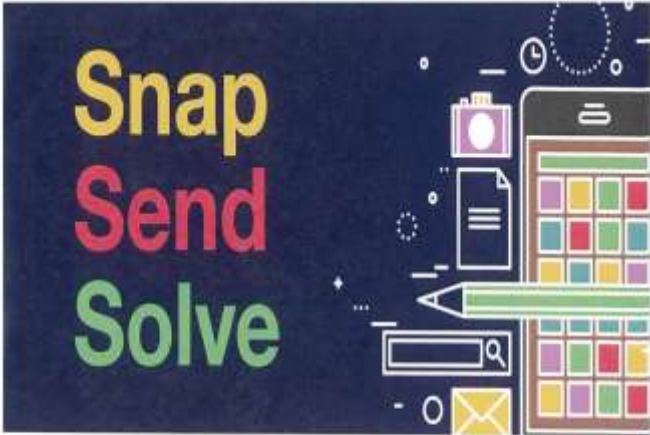

This Friday eight students will travel to Tumbarumba to compete in the Highlands Cross Country. Evan, Sid and Tori-Lee will be running in the 8/9 year events running 2000m. Blake, Nathan and Makayla will be running the 2000m event in the 10 year section. Jayden and Chloe will be competing as 11 year olds and will have to run the 3000m course. If you are going up to watch you might want to rug up and wear your gumboots as the forecast is 11° and overcast. Best of luck to everyone!

NSWPSSA TOUCH FOOTBALL KNOCKOUT

We have a date! Our touch football team will be travelling to Ladysmith PS for the first round of touch football on Thursday 20 June. Ty is back into training with the children and team selections will take place soon.

CHAT WITH COUNCIL

I visited Wagga Wagga City's Chat with the Council in the park to find out what they have that can assist the community of Humula. I learnt that they have an app on which anyone can report anything of concern to the council. So far, I have reported the roadway on the corner of 8 Mile Road and Carabost Road, and also the trees at the front of the school. Hopefully council will look at these issues and respond accordingly.

Let's chat, we love feedback!
