OUR VISION

Humula Public School aims to provide a safe and varied learning environment that creates independent, confident and resilient individuals working towards academic success.

SNOW SCHOOL

Our long awaited Snow School has begun. This morning I set off with some eager children, excited to hit the slopes of Mount Selwyn. We left at 6.15am, heading to Tumut to join Goodes Coaches for the trip up the mountain. We picked up Talbingo PS children on our way and were joined by Cabramurra PS and Khancoban PS. I am sure that everyone will have a great day.

REDBALL TENNIS

Yesterday Mr John Ferguson, a Tennis Australia representative, came to school and took the children for some Redball activities. He imparted some great knowledge to the children on the game that the Year 3 and 4 children will be playing on Friday. Mr Ferguson provided activities for all children Kinder to Year 6.

TODD WOODBRIDGE CUP

This Friday, Year 3 and 4 will be participating in the Todd Woodbridge Cup event in Tumut. Both Mrs Soding and myself have been providing opportunities for the children to hone their skills over the past few weeks. After our session with Mr John Ferguson I feel that we will be as ready as we can be.

PRINCIPAL COMMITMENTS

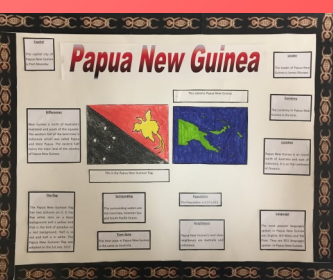

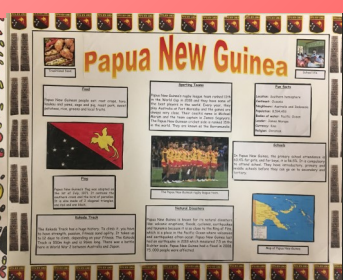

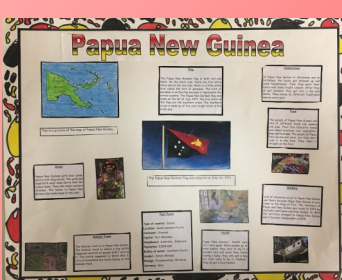

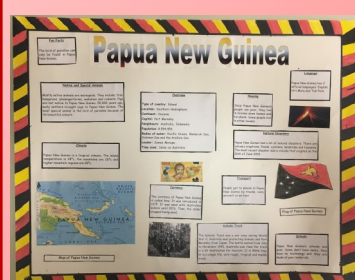

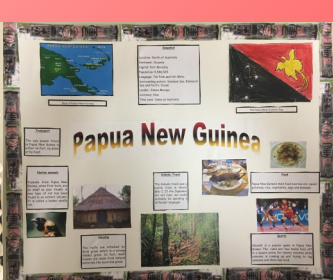

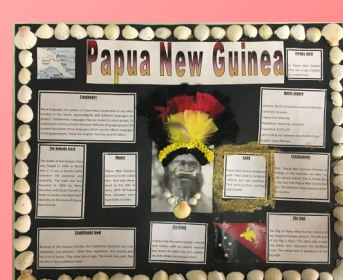

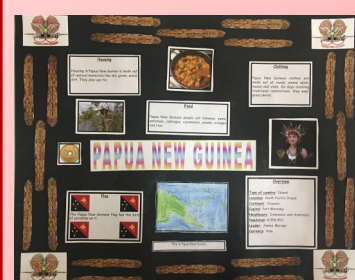

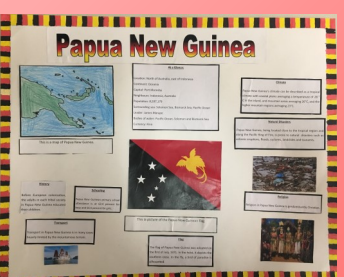

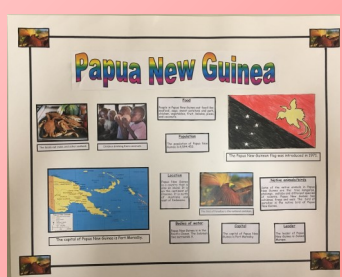

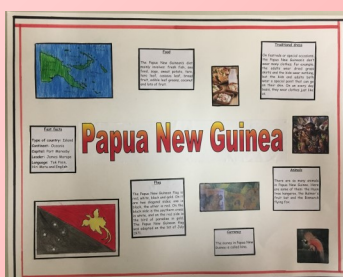

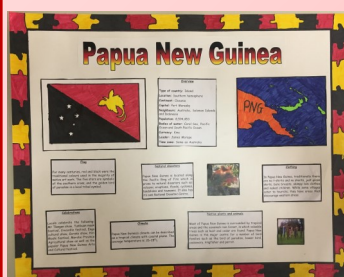

Over the past few weeks I have been carrying out many extra duties in my different roles. After thinking that I had found a replacement to attend the State Cross Country event at Eastern Creek, I was called upon after school the day before the event, to attend the carnival.

Last week I formed part of an External Validation panel, working with the lead panellist, in assessing a schools submission. This is a two day process and provided me with valuable training.

CWA COUNTRY OF STUDY POSTERS

WOW!! What a great job the primary class did on their country of study posters on Papua New Guinea. Each and every one of them should be very proud of the finished products. The posters were collected last Friday and now we wait for the Riverina CWA group to be adjudicated.

LITTLE KINDER

Our Little Kinder program is scheduled to start in week 4. This year the program will be held each Friday that Mrs French is at school. We will be welcoming Layla Pendrick and Pippa Clark to our school. I know that they will love Humula PS as much as we all do.

SPORTING SCHOOLS GRANT

Our submission to receive a Sporting Schools grant for term 3 was successful, providing funding for us to try a new sport. This term we will be taking part in the Junior Jack Attack Bowls program. The grant will cover the cost of the equipment needed to run the program and a coach to run the program.

LETS JOIN THE FRUIT AND VEGIE GANG

After such a great response last year and Betty-Rose winning a prize, we have signed up to the 'Eat Fresh and Win Campaign'.

Fresh for kids has one major goal to get kids eating more fresh fruit and vegetables. In achieving this we hope to kick-start and carry on some lifelong healthy eating habits.

Fresh for kids will once again be running the 'Eat Fresh and Win'. This year there will be some awesome new prizes up for grabs, to reward kids for eating fresh. The more fresh fruit and vegetable you eat the more chances you have to win. For every entry form filled out, kids receive a fruit scented stamper pen and a bonus prize entry card. All entries go into the draw to win major prizes.

Check out the posters around school for the awesome prizes.

Activity sheets are available in the office.

Campaign ends Friday 20th September 2019.

FROM THE FIRE SHED

Thank you to the people who came to the Triviarvo on Sunday. I hope that a bit of brain work was enjoyable for all. Also to the generous donations on the day.

Basic firefighter training is essential as part of the membership and for all personnel during a fire event. If you are a registered member of the RFS and wish to do the course, the theory is done online at MYRFS. Firecom will inform you of the rest, which is usually a half day. While some people may think this is all irrelevant the main focus is putting volunteers in and around equipment that they know how to use safely and confidently. This is also important for anyone who goes on the fire ground to deliver food. Contact Firecom if you wish to attend any training. First aid is also available.

I have an idea for a twilight ball at the rec grounds for later this year. A meeting will be organised for ideas and to set a date later this month if its agreeable. A good time to dress up in your best and trip the light fantastic under the stars! Please give it some thought.

As always, we are here for the community.

Club News

I know that we do this often but collectively as members we thank all the volunteers who have been working behind the bar, cooking, cleaning, shopping, taking the recycling and completing maintenance jobs.

As always – the club would not be open without your support and without the support of everyone coming to the club.

POLICY STATEMENT

Humula Public School Newsletter seeks to serve the interests of Humula and the surrounding community by publishing the communities' news and views, while supporting local sporting, educational, recreational and charitable groups through publication of information relevant to their organisation. Excepting grammar and minor editing adjustments, articles in this newsletter are published as they were submitted. Sometimes articles will be condensed due to space constraints. The views and opinions expressed in this newsletter are not necessarily the views of the Principal or Staff of Humula Public School. Contributions for the Newsletter are welcome from all community organisations. We endeavour to put out a Newsletter each fortnight so please send or email items to the school by Monday of the Newsletter week and your item will be included. Advertisements for items for sale etc. are welcome for a donation.
